

Why Have an Overheated Kitchen in Summer?

When the sultry days come and the coal range makes the kitchen almost unbearable and cooking a dreaded task, put out the range fire and try the newest method of cooking in hot weather—use a

New Perfection Oil Cook-stove

What a contrast! The kitchen no longer is stifling hot, the work is now done with comfort, and the housewife is not worn out with the heat.

She saves her strength, keeps her health and is better able to enjoy the summer.

The New Perfection does everything that any other stove can do—all the family cooking, baking, broiling and ironing. No smoke, no dust, no odor. Heat is applied directly and not wasted. A turn, and the flame is out.

The New Perfection stove has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for the coffee pot or saucepans, and nickel-plated towel racks.

It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove very attractive and invites cleanliness. Made with 1, 2 and 3 burners; the 2 and 3 burner stove can be had with or without Cabinet.

WARM AND WET APRIL

Temperature 5 Degrees Above Average—Excess Rainfall of 1.76 Inches

The weather report from the meteorological station at Albany shows that the month just closed shows that the average daily temperature was 5 degrees warmer than the average for the past 37 years. The mean temperature for the month 46.4. The highest recorded was 77 degrees on the 5th and the lowest 21 degrees on the 13th.

The rainfall for the month was 4.19 inches which is 1.76 in excess of the average. The prevailing direction of the wind was northwest.

The month was made up of 7 clear, 15 partly cloudy and 8 cloudy days. There were 14 days on which .01 of an inch of rain fell.

IT SAVES YOU MONEY

The special half price sale of Dr. Howard's Specific for the cure of constipation and dyspepsia by W. L. Gokay means the saving of a few dollars on every family's yearly bill for medicines.

W. L. Gokay has so much faith in the superior merit of this medicine that he says: "If Dr. Howard's Specific does not cure you, come back to my store and I will return your money."

This remedy is not an ordinary medicine. It is the favorite formula of a well known physician, and has the endorsement of hundreds of physicians of eminence in their profession who prescribe it in all cases of constipation, dyspepsia or liver trouble, knowing from experience that it will make a complete and lasting cure.

A GOOD REASON

Bennington People Can Tell You Why It Is So

Doan's Kidney Pills cure the cause of disease, and that is why the cures are always lasting. This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause backache, headache and distressing kidney and urinary complaints. Bennington people testify to permanent cures.

Mrs. E. D. Lamreaux, 222 Division street, Bennington, Vt., says: "About four years ago I was in such great misery as the result of kidney complaint that I could hardly do my housework. I suffered from terrible headaches and at times became so dizzy that I could not see. The kidney secretions were also too frequent and painful in passage. Seeing Doan's Kidney Pills highly recommended for such troubles, I procured a box and began their use. They proved to be just what my system required and in a short time the backache left me. After taking the contents of two boxes of Doan's Kidney Pills, all symptoms of my trouble had disappeared and there has been no return of them since. Doan's Kidney Pills have my highest endorsement." (Statement given in December 1905.)

Work That Tells

In a statement given August 4, 1908 Mrs. Lamreaux confirmed the above statement, saying: "I am as firm a believer in the merits of Doan's Kidney Pills today as when I gave a testimonial in their favor in 1905. They have never failed to bring me prompt relief when I have had any return symptoms of kidney trouble."

AN ITCHING ERUPTION

"My baby boy was about nine months old when he had a breaking out on his neck which was very annoying. It used to make him very fretful and cross because it seemed to worry him so much. I had my doctor look at the baby and he told me it was eczema and he wanted to treat it. But a friend of mine told me she knew it could be cured cheaper and in much less time. So I started using the Cuticura Soap and Cuticura Ointment, which I soon found out was what I ought to have had before, for the eczema seemed to itch so the baby could not keep his head still and he was rubbing and twisting all the time. I used the Cuticura Remedies three times the first day and began to notice the good it was doing, for he began to get rest from rubbing his neck. So I used three cakes of Cuticura Soap and two boxes of Cuticura Ointment and now no one could tell that he ever had any kind of breaking out, and since then I have never been without Cuticura Soap and Cuticura Ointment. Mrs. Lila Dorsey, 12 Brown St., S. W., Washington, D. C., Oct. 2, 1909."

POWAL

George Maloney of Troy was a guest of John Tighe over Sunday.

Jefferson Thomas of Petersburg is visiting his aunt, Mrs. Irving Odell.

George Sanial of North Adams was a guest of Miss Irene Barnes Sunday.

Miss Winnie Wright of Springfield, Mass., is visiting her father, Samuel Wright.

Mrs. Richard Niles of Greenfield, was the guest of relatives in town on Sunday.

The Brookside hotel opened its bar on Monday and now thrifty Powal does not have to go to North Adams.

Mrs. Emmeline Evans and son William of Ludlow, Mass., were guests of her brother, Thomas V. McCumber recently.

Miss Ellen Burrington of Sunset Terrace entertained Mrs. Cabel Prindle and Miss Ethel Cheney of Williamstown a portion of last week.

William Ritchie of North Adams occupied the M. E. pulpit Sunday in the absence of the regular pastor, Rev. C. E. Green. Mr. Green is the statistical secretary of the Troy Conference and has been in New York compiling the records.

Dr. E. E. Potter has converted his Buick touring car into a runabout and he finds that in consequence of the reduced weight, the power of his machine is at least 50 per cent greater. Our hats are off to the Dr. for his long headness.

One hundred and ten miles was added Sunday by A. G. Parker to the credit of the Ford car. A. F. Towne, who was up from Troy to spend Sunday with his wife was invited to return to Troy in the motor car which he was driving.

Mrs. Gardner T. Parker were the other passengers. The out trip was via Lebanon Springs, Brannard Station and Sandlake, and the return via the old stone road. The roads between South Williamstown and Hancock were rough and rutted making riding very uncomfortable. This road should be shunned for at least three weeks. All the other roads were in fine shape except through Potter Hill where the road scraper had got in inches which is 1.76 in excess of the average. The prevailing direction of the wind was northwest.

After years of debate medical authorities are now agreed that Eczema and other skin diseases are not seated in the blood, but are caused by myriads of microscopic animals gnawing the flesh just below the epidermis. The patient is perfectly healthy, it is only the skin that is diseased.

Hence, scientists are now agreed that you must cure the skin through the skin. The medicine must be in liquid form in order to penetrate properly. And we can say with confidence that we have the true remedy for Eczema in our store.

The instant you wash with this soothing liquid you will find the itch relieved. We positively assure you of this. Will you try a bottle (at only 25c), on our recommendation. Ask for D. D. D. Prescription. W. L. Gokay, Bennington, Vt.
